"To Create a Fun & Enjoyable Experience that You want to come back to"

Dear Members and Friends of Allendale,

As the summer sun continues to shine brightly, we are thrilled to welcome you to an exciting month of golf and camaraderie at ACC. July promises to be a vibrant and eventful month, filled with a variety of activities, tournaments, and delightful music on the lawn.

We have an array of tournaments lined up, each offering a unique opportunity to support meaningful causes, challenge your skills, and enjoy the company of fellow members. Among the highlights this month, we will be hosting several special events, including:

1. One Mission Golf Tournament: Join us as we come together to raise funds and awareness for childhood cancer. Your participation and support will make a significant difference in the lives of children and families affected by this disease.
2. Memorial Tournaments: These events provide a heartfelt way to honor and remember our cherished members and loved ones who are no longer with us. Let us celebrate their legacy and the lasting impact they had on our community.
3. Annual Club Championship: The pinnacle of our golfing calendar, the Club Championship will take place at the end of the month. This prestigious event is a wonderful opportunity for members to showcase their talent and compete for the coveted title of Club Champion.

In addition to the tournaments, we have planned a series of music evenings on the lawn, where you can unwind and enjoy live performances in the beautiful setting of our club. These gatherings are the perfect way to relax after a day on the course and connect with fellow members.

We hope to see everyone out and about, participating in the events and making the most of this fantastic month. Whether you are competing in a tournament, enjoying the music, or simply taking in the serene beauty of our grounds, there is something for everyone at Allendale Country Club this July.

Thank you for being a part of our wonderful community. Let's make this month memorable together.

Warm regards,
