Tournament Registration

Sign-ups for all Allendale Golf Tournaments will be completed online via our website or by registering in the pro shop.

Please go to <https://www.allendalecc.net/tournament-corner/> to review our tournament schedule and register. Please follow the instructions to register.

Registrations close two weeks prior to an event. All entry fees will be automatically billed to member golf accounts once registration has closed or full. All member & guest golf registrations require a current USGA GHIN golf handicap to compete in any competitions.

Tees: Competitors will play from tees based on the following formula for all tournaments unless noted otherwise:

$$\text{Handicap Index (GHIN) + Age = Adjusted Tee}$$

Adjusted Tee Definitions

White Tees - anyone with an Adjusted Tee Number of **71 and Below***

White/Gold Tees - anyone with an Adjusted Tee Number of **72 to 79***

Green Tees - anyone with an Adjusted Tee Number of **80 and Above***

Green Tees – Women

Handicaps will be adjusted for tees played.

*Any player may choose to play from a tee further back than the Adjusted Tee Number allows.

Example: a 12-handicap player who is 60 years old = 72. This player can compete from the White/Gold Tees by the Adjusted Tee Definition, but may elect to play from White Tees if he or she prefers. This player would not be able to play the Green Tees.

Prize pay-outs: Prize distribution (pro shop credit) will be awarded to approximately the top 30% of the field, – gross and net. Prize distribution pay-out: 70 % to Net and 30% to Gross scores.

Carts: Carts are optional except as noted in several events.

USGA Rules apply for all events.
